Dear Parents:

The TMS math staff and TMS administration team will be holding a meeting to inform parents of the recent and substantial changes made in the math curriculum by the state of Texas. These changes highly impact the progression of math courses through the middle school and high school years. We will take the opportunity at this meeting to begin 6 year graduation plans. We encourage you and your child to attend one of these two meetings.

When: Tuesday, October 11th

Time: Either 2:15pm OR 6:00pm

Where: Troup Middle School Gym

We are excited about this opportunity to meet and plan for academic success with you and your child!

Sincerely,
TMS Staff
