The auction will take place prior to the concert. Please have the desserts placed on the tables in the high school foyer the night of the concert or you may bring them to the band hall the day of the concert.

We are very excited to present to you an evening of Holiday Music performed by the Troup Middle School Bands. We would love for you to stay and enjoy both of the bands' performances. The entire program should be approximately 45 minutes to one hour in length. Thank you for your support of the band program. Your efforts are appreciated as you continue to encourage your child each day to practice, improve, and enjoy the benefits of playing a band instrument.

Looking forward to a festive concert and dessert auction!
